

INFORMED CONSENT

Developed by: Rafael Alexander Navas Rivera

Supervised by: Gleiston Guerrero Ulloa, Ph.D.

I, _____ voluntarily agree to participate in the research project entitled “WEB APPLICATION FOR SIMILARITY DETECTION THROUGH GENERATIVE ARTIFICIAL INTELLIGENCE AND ALGORITHMIC EFFICIENCY ANALYSIS IN SOFTWARE SOURCE CODE” during the year 2025. This project is part of the Curricular Integration Work for obtaining the Bachelor’s Degree in Software Engineering from Universidad Técnica Estatal de Quevedo.

I understand that my participation includes:

- Interviews that will be recorded to gather information on current processes for evaluating student code and detecting similarities.
- Sharing experiences regarding the difficulties encountered when reviewing programming assignments.

I have been informed that:

- I have the right to review the recordings and transcripts of my participation.
- The data collected will be used exclusively for academic and research purposes.
- My identity will be protected through the use of pseudonyms in the project documentation.
- Information regarding evaluation practices will be treated confidentially.

I confirm that I have understood the explanations provided regarding the objective and nature of the research project. I have had the opportunity to ask questions about my participation, and all my doubts have been satisfactorily resolved.

Likewise, I understand that:

- My participation is entirely voluntary, and I may withdraw from the project at any time without penalty.
- The data shared regarding evaluation methodologies will be analyzed in an aggregated and anonymous manner.
- The information will be used exclusively for the development of the proposed web application.
- The project results may be published for academic purposes, always maintaining my anonymity.

I understand that this project seeks to develop a tool that facilitates similarity detection and efficiency analysis in source code, contributing to improving academic evaluation processes and integrity in programming education.
